

*CENTRAL FLORIDA PEDIATRICS*  
*CHRISTMAS CLUB*

Central Florida Pediatrics offers each employee the opportunity to have money deducted from your paycheck and held in a *Christmas Club* fund! You determine the amount to be deducted throughout the year, and in November checks will be issued for the full amount of your savings!

Guidelines:

- 1) Determine the amount to be deducted, and complete this form prior to the first pay period in January.
- 2) You may **NOT** make changes to your deduction amount. You may stop your deduction, however, you may not resume until the next January.
- 3) Checks will be issued the week of Thanksgiving each year.
- 4) You may **NOT** cash out your *Christmas Club* prior to the scheduled pay date, unless hardship\* is proven, or your employment is terminated.
- 5) Funds are deducted **AFTER** taxes.
- 6) This *Christmas Club* is solely for the purpose of reserving your money, **no interest will be accrued.**
- 7) A signed form will be required each year.

I understand the above guidelines and elect to have Central Florida Pediatrics withhold \$\_\_\_\_\_ from each of my paychecks.
